Pleasant Hill Elementary

January 7, 2018

Parents! It's getting colder outside! Please remember that our building does not open until 7:20 am and there is no adult supervision until that time.

Also, please ask your students to be mindful of where they leave their bike (it needs to be in the bike rack) and that they secure it. This area is not supervised during the school day so a bicycle lock is a good idea.

As a courtesy to our teachers and office staff, please avoid signing your child out of school between 2:15pm-2:50pm **unless** they have a scheduled doctor's appointment or family emergency. In the event of an appointment, please provide the office with a note from the doctor upon returning to school. We are completing class work and getting homework assignments up until the release bell at 2:50pm!
