

**F.Y.I.**

Parents! It's getting colder outside! Please remember that our building does not open until 7:20 am and there is no adult supervision until that time.

Also, please ask your students to be mindful of where they leave their bike (it needs to be in the bike rack) and that they secure it.

This area is not supervised during the school day so a bicycle lock is a good idea.

### PHE PTA to Host Breakfast with Santa

Join us Saturday, December 9th! Tickets are \$ 5 per person to enter. You can sip hot cocoa, enjoy crafts, eat breakfast, and take photos with Santa! This event also features a Holiday Marketplace of local vendors! From 9:30 to 11:30 am, you can cross some names off your holiday shopping list, make something for your tree, eat breakfast, and get that photo with Santa done.

Hour of Code December 4-10: The Hour of Code started as a one-hour introduction to computer science, designed to demystify "code", to show that anybody can learn the basics, and to broaden participation in the field of computer science. Computer science helps nurture problem-solving skills, logic and creativity. By starting early, students will have a foundation for success in any 21st-century career path. Husky students will be participating in the Hour of Code during their Library Specials rotation.

### **Pleasant Hill Families are Always Willing to Help!**

Area organizations have once again asked the students and staff of Pleasant Hill Elementary to aide their causes by participating in several giving campaigns. The Hill Country Christmas Bureau and Leander Police Department organize Blue Santa, which collects unwrapped gifts for those in need. Select a Giving Tree tag for a gift you would like to purchase off the tree in our main hallway. These donations will be picked up on December 8th. Also, our school will be collecting socks and underwear for the PHE Clinic and the PTA Clothes Closet. Look for our wish list tree in the main hallway. If you would like to participate in either of these campaigns, just bring in your items and we'll help you get them in the right places!
